Children cheer homesick crew

By FRANCES H. PAULETTE

February is American History Month and students at the Appomattox Primary School celebrated in a very special way.

"Each February we do a project on 'I Am An American' and the children enjoy it," commented Mrs. Pat Torrence, principal of the school.

This year the project was a bit different....and a bit more personal.

Linda Ruhf, a second grade teacher at the Appomattox Primary School has a brother-in-law assigned to the USS Shreveport LPD..12, stationed off the coast of Beirut, Lebanon. Because the men weren't permitted to leave the ship during the Thanksgiving and Christmas holidays, they, naturally, became very homesick.

Students at the Primary School decided it would be a good project to try to send messages of cheer to the crew of the ship.

"We felt it would really make the students more aware of American History Month," said Torrence.

It began as an entire school project to help boost the morale of these men.

The kindergarten class of Mrs. Jeannie Isaacs really got into the project in a big way. They sent pictures, a puzzle, and valentines to these men. They also sent their address, thinking maybe they would get a letter in return or even better, to become a pen pal to one of the men. The response was overwhelming! Not only did the children receive letters explaining what the men did on ship but they received a package from fourteen men in the Medical Department on the USS Shreveport.

Inside the package the students found 25 USS Shreveport patches for them to sew on their favorite T shirts.

A publication, The Familygram, is mailed at intervals back to families of crew members on the ship, keeping them informed of the activities of the ship. When the men received the pictures and letters from the students at the Primary School the Familygram staff printed a "Kidgram", a similar publication but full of pictures and letters from the Appomattox students.

A few of the letters printed in the KIDGRAM read like this....

"Dear Friends, I thank you for saving the world. I think you are really heroes. Love Robbie,"

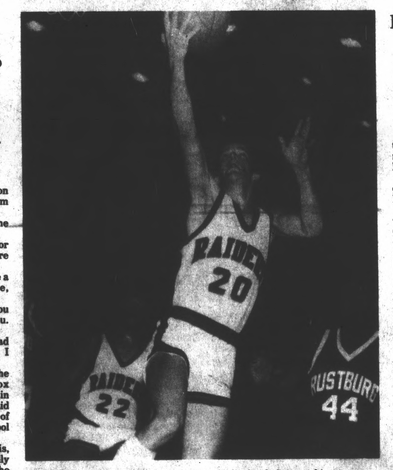
Dear Friends, Do you really ride a ship? That's fascinating. Love, Michael."

"Dear Friends, I hope that you will be safe. And, I will pray for you. Love, Nicole."

One picture by Wanda Petty had this caption: "If I were a sailor, I would be the boss for the nurses."

"I am, indeed, pleased to see the students at the Appomattox Primary School participating in such a worthwhile activity," said Lloyd Walton, Superintendent of the Appomattox County School Division.

"Through projects such as this, especially during such a historically significant month as February, the children are made more aware of what American History means and of their heritage and they will, I believe, develop a greater appreciation for our way of life, and a pride in our nation." Walton concluded.



RAIDER RICK CALDWELL drives to the basket in last week's win over Rustburg. The Raiders defeated Rustburg and Buckingham to close out the regular season, then won again against Rustburg in the opening round of the Seminole District Tournament Tuesday night. The Raiders are scheduled to play in the second round of the tournament tomorrow (Friday) night at 8:30 at Rustburg High School. (Photo by Mike Williams)

Basketball team takes first round

One down!

The Raider varsity basketball team won its first-round tournament game Tuesday night against Rustburg High School, 44-38.

The win followed regular season-ending victories last week over Rustburg and Buckingham.

Appomattox is scheduled to play the winner of the William Campbell-Jefferson Forest game (scheduled for Wednesday night, after the **Times-Virginian** deadline) in the second round of the tournament Friday night at Rustburg.

Gretna, who defeated Liberty in the first round of the tournament Tuesday night, is scheduled to play the winner of the Altavista-Nelson game in the second round of the tournament Friday night.

The tournament finals will be held at Rustburg High School Friday night

The tournament finals will be held at Rustburg High School Saturday night.

Against Rustburg Tuesday, the Raiders got off to a slow start, allowing the Red Devils to score seven points before coming back to take a 10-7 lead at the end of the first quarter.

The teams fought hard in the second quarter, with the Raiders scoring 16 points to Rustburg's 15, and Appomattox took a 26-22 lead into the locker room at the half.

The second half was a seesaw battle, with Rustburg challenging the Raiders up to the final minute of the game. The Raiders iced the game in the final seconds, however, 44-38.

Kevin Ferguson was high scorer for the Raiders, with 11 points. He was followed by Gary Ferguson with nine points, Jeff Miller with eight, Rick Caldwell with seven, Derwin Harvey with five and Rickyt Miller with four points.

Eric Scott and Billy Farmer both scored in double figures for the Red Devils, with 10 points each. They were followed by Brian Jefferson with nine points, Charles Charlton with five, and Micky Paige and John Franklin, with two points each.

"We were a little tight when we started," commented Coach Coty Dickerson about the game. "But we were able to overcome that. Rustburg was tough. They played a good man-to-man defense. It wasn't a pretty win, but it was a win."

The coach added that it was tough playing Rustburg on their home court after defeating the Red Devils last week in Appomattox. "It's a big rivalry, and Rustburg is always tough on their home court," Dickerson noted.

"We are just glad to have won," the coach concluded. "We are glad to have the opportunity to continue in the tournament."

School FBLA club to sponsor child-cancer benefit

The Appomattox Chapter of the Future Business Leaders of America will sponsor a radio-thon Saturday, Feb. 26, from 10 a.m. to 5 p.m. to raise money for ASK.

ASK is the Association for the Study of Childhood Cancer.

Radio station WLVA will be at the high school cafeteria during the day, Saturday, providing musical entertainment and keeping the public informed of the day's progress. Listeners may call Appomattox County High School at 352-7146 and FBLA officers will be on hand waiting to take pledges and answer questions.

Checks should be made out to Appomattox County High School - ASK, and mailed to Appomattox FBLA, Appomattox, Va. 24522.

The "K" in ASK is formed by joining the two "C's" in Childhood and Cancer. It is a non-profit organization formed in 1975 by parents of children who have had some form of cancer and are being treated at the Medical College of Va. The primary purpose of ASK is to raise money for research into the causes and cures of childhood cancer and has five major research goals:

(1) To test new cancer drugs and to develop optimal timetables for multi-drug and multi-modality treatment programs.

(2) To develop ways to detect regrowth before it becomes apparent in the child.

(3) To develop ways to boost immunity and defenses against cancer in children.

(4) To develop screening programs to detect childhood cancer in its early stage.

(5) To develop regional family counseling programs that would identify aspects of supportive care that is so essential to the well-being of the patient and his family.

Funds raised by the Association are made available for funding projects through the Pediatric Hematology-Oncology Section at the Medical College of Virginia or for projects designed to provide emotional support to the children stricken with cancer.

Any donation, large or small, could be the one to help find a cure for this dreadful disease of our children. Please help us turn a frown upside down for ASK.

HAROLD NASH WAS HONORED at this month's meeting of the Appomattox Town Council with a gold watch, presented to him in recognition for his 30 years of service to the town. Mayor Ronald C. Spiggle (above right) commended Nash for his dedication and dependability during the 30 years, and added that he hopes Nash will continue to serve the town for many years to come. Nash said that his job has been "a pleasure," and expressed his appreciation for the opportunity of serving the people of Appomattox.

Lions Club to meet tonight

The Appomattox Lions Club will meet at the Country Fare Restaurant tonight (Thursday, Feb. 24) at 6:45.

Major William G. Fore of the Virginia National Guard will be the guest speaker for the program.

Fore will deliver a message titled "Behind the Soviet War Machine." This is a colorful, pictorial presentation of the USSR, her people, economy, soldiers and war machinery.

Father Darkleaf

By CALVIN ROBINSON

At 3 p.m. Saturday I plucked the first crocus from my yard. The first flower of approaching Spring and I put the bloom into a small vase and as of noon Monday, still in blossom. Song of the hour, "Just Around the Corner." Do not rule out another winter blast or two, but February will pass and Spring will make its grand entry and with it new hope, spirit and energy.

• • •

Appomattox should make plans for a Spring Clean-Up Drive, with everyone cooperating. Will even renew my annual commitment to clean off my desk, back porch and a closet or two. Note - in event of disaster, will the last *one* leaving Martha Street leave some food for the birds.

• • •

The hunting season was better than usual. Deer, quail, turkey and the perennial rabbit, all fell prey to area nimrods. Target practice called off.

• • •

The upcoming Atlantic Coast Conference Basketball Tournament should be a stellar attraction. I am all for Ralph Sampson and the Virginia entry, but any team in the conference is capable of winning. I consider ACHS had a good season, too.

Mr. and Mrs. Gerald A. Harty, of Walton Drive, Appomattox, drove by to bring me a copy of the Fort Walton Beach, Florida, Daily News. What a fine paper. Thanks. Also a copy of The Destin Log, Destin, Fla, claimed to be "The World's Luckiest Fishing Village." Specially liked an article on Starfish. There are some 2,000 kinds of starfish and I have a modest collection. Choose a hobby and join the collectors, it's fun.

• • •

To be first or "No. One" is a worthy goal. But there are categories where the "last" pays off. It is the last bite that catches the fish. The final or "last" results determine an election. Ministers often aim for an impressive final point or statement in a sermon. Even columnists like a "punch line" or last statement. The home team enjoys the priviledge of the last bat in baseball. The last blow counts in boxing, the last volley in tennis. The novelist aims for a happy ending in his last chapter. In war the pay-off is the last battle. In life itself, we should prepare for the last judgement. And so it is no wonder that in basketball of late we have seen so many games depending on getting the last shot at the basket. I counted a lot of basketball games settled by one point. Often at the buzzer, such as 85.84, 73, 72 or even 105, 104. Teams spend a lot of practice time settling up ball control so as to get the last shot. So what? Well, make every shot count, every enterprise succeed, but aim to be around when the final talley is recorded. Eight now pro baseball teams are gathering for spring practice, each hoping for a big year; to be No. One. No one knows for sure, but in America we like to give everyone a chance. Thanks for reading and seeya around.

Elliott outlines cheese program

Mr. Francis Elliott, recently appointed volunteer coordinator for the butter and cheese program, announces that butter and cheese will be distributed again on Feb. 28, 1983 at the "Depot" on Main Street. The schedule for disposition is as follows: Monday, Feb. 28 from 1 p.m. to 5 p.m.; Tuesday, March 1 from 9 a.m. until 4 p.m., or until supply is exhausted.

Persons receiving food stamps, medicaid, aid to dependent children, supplemental security income checks, social security disability checks or unemployment benefits will be eligible for the surplus food.

Each recipient must supply proof of identification such as: a driver's license, social security card, or birth certificate. In addition each recipient must present a green food stamp I.D. card, a medicaid card, social security claim letter or letter from the Virginia Employment Commission (VEC) showing the amount of unemployment benefits. You may not receive the commodities if you do not present proper verifications as listed above.

If you wish to pick up cheese and butter for a neighbor or relative, you must have a signed statement from the person authorizing you to pick up the cheese and butter for them, along with their food stamp I.D. card, Medicaid card, social security claim letter or VEC letter.

Eligible persons must be Appomattox County residents. The cheese and butter will be given on a first come, first served basis.

Microwave class slated

A microwave cooking class will begin Tuesday night, March 1 in the Home Economic Department at Appomattox County High School. Class hours will be from 7 to 9 p.m. on Tuesday nights, March 1, 15, 22, and 29. There will not be a class on Tuesday night, March 8. Cost for participating in the class will be $10.00 for each person enrolling.

Persons who have not already pre-registered or who desire information on the class are requested to call 352-8253 between the hours of 8:30 a.m. to 5:00 p.m.

Four lessons will be provided as follows:

March 1 - Microwave Basics and Introductory Cooking - (Demonstrations of food preparation for breakfast, lunch, dinner and snacks.)

March 15 - Microwave Techniques and Intermediate Cooking - (Specific demonstrations in preparation of beef, pork, vegetable basics, cakes and quick breads.)

March 22 - Adapting Conventional Recipes and Advanced Cooking Techniques - (Demonstrations on cooking casseroles, pastas, cereals, fish, other seafoods and cookies.)

The instructor for the class will be Mrs. Paula Smith. Mrs. Smith is a consultant for Amana and has a wide range of experience in microwave cooking. She is also a former instructor of home economics education. Poe Hardware Company will be cooperating by providing the microwave ovens to be used in the class.

Bloodmobile visit is Monday

The Bloodmobile will be making a regularly scheduled visit to Appomattox on Feb. 28 at Liberty Baptist Churh from 12 noon until 6 p.m.

The goal for this visit will be 110 units of blood.

"Please plan now to donate a unit of blood, whether you're a regular donor or planning to donate for the first time," said Mrs. Alice Martin, Chairman for the Blood Services in Appomatox County.

"For the past two years, the February visits have been the most productive visits of the year and we would like to keep up the good work," concluded Mrs. Martin.

APPOMATTOX COUNTY FORESTER Russell Clark and a well-known bear hold a sign reminding citizens of Appomattox County's 4 p.m. burning law, which goes into effect March 1 and continues until May 15. The law prohibits outdoor burning before 4 p.m. and after midnight.
